PRESIDENT'S MESSAGE BY ROY CAIL

The Ole Ground Hog sure did us no favors seeing his shadow meaning six more weeks of winter. The weather forecast here in late February is not too appealing. The Grand Ole Ladies must be getting nervous wondering if we are going to take them out. However, never mind March is just around the corner meaning warmer weather and much better Model A days.

The Board has filled the vacancy created by a resignation. Linda Ochs had graciously accepted the Board position. We are very pleased to have Linda join the Board.

Our new Sunshine Person Chair is Connie Hudson. She has taken on this responsibility once again on behalf of the Club. In order for her to be successful please let her know (918-269-7240) if you or someone else in the Club is ill. Thank you, Connie.

The team led by Tim Bodine has been very busy laying out the plans for our Spring Tour. We appreciate Kent Washburn lending his hand with contacts on some of the venues in his hometown. We will be traveling to Ponca City to spend a long weekend on April 24 – 27. Remember to make your hotel reservations at the Holiday Inn Express (580-762-3700) no later than April 1, ask for special Model A Ford rate of \$120/night plus taxes/fees). You will find an outline of activities attached to the Rumble Sheet as well as a Registration Form. The Registration Form is due April 1. Checks should be made out to the Tulsa Model A Ford Club. We will have a hospitality room at the hotel for all three nights.

Now that the Spring Tour planning is almost complete, we will move to adding more driving events as well as other activities. The March Board meeting will focus primarily on filling out our tours and activities calendar. If you have suggestions, please let any Board member know. We also plan on tapping into the membership to help with the planning and execution.

Jackie Dunn has been more than busy working on arranging entertainment for our member meetings as well as marketing upcoming events. As you come in to the meeting room please note the posters, sign-up sheets, and future activities planned. She is creating a “hub” of things that are happening around the Club, “it is the go-to place”. Diane Rinkebaugh has volunteered to assist Jackie with manning this area, for which we are most appreciative.

You will have noted that cold beverages will no longer be provided due to lack of someone stepping forward to take on the responsibility. Should you wish to bring a non-acholic beverage to the meeting please feel free to do so.

Since the cancelation of our February members’ meeting, it is even more important to read the Rumble Sheet for upcoming events. We are using various methods of communicating but the first line of defense is the Rumble Sheet.

Looking forward getting those A's on the road again!!!

THE FINER POINTS

by Chris DuVall

Wow! We have certainly had a lot more snow than I expected so far this year! I'm looking forward to slightly warmer days ahead. Maybe if I'm lucky, I can start to remove side curtains soon. Since I have been spending more time inside, I have been looking at some of the literature I have collected over the years. Recently, I have been interested in dealer literature.

I started out collecting magazine advertisements several years ago when our friend, Don House, moved away. So, if my wife is looking for someone to blame for all this madness, she now has a name! Ha! Most magazine ads are fairly common since so many were produced. There are a few rare ones like my "New Ford De Luxe Phaeton" ad from 1930. It's a very popular one that was only printed once on the inside back cover of a magazine, which is why it's so rare today. In my opinion, it's one of the best graphics ever made for a Model "A" advertisement.

The New Ford De Luxe Phaeton

THIS car, newly added to the Ford line, has achieved distinguished favor because of its low, fleet lines, beautiful colors, and attractive sport treatment. The spirit of youth is reflected in its sprightly appearance and alert performance. To an unusual degree, it combines style and utility.

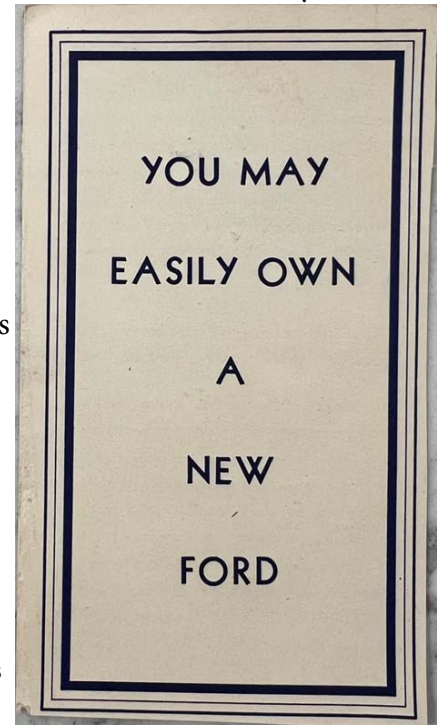

Among its pleasing features are an adjustable front seat, folding windshield and windshield wings of Triplex shatter-proof glass and a side fender well for the spare tire. Upholstery and trimming are in keeping with the latest mode. The rear quarter is slightly depressed below the belt to receive the top when down, thus preserving the straight flowing lines of the car.

Lately, I have been on the lookout for dealer literature in addition to regular advertisements. Recently, I found the below pamphlet that would have

been available in Ford dealers. Unfortunately, we do not know the exact date this booklet was produced, but we can narrow it down to either late 1930 or early 1931 due to the inclusion of the Victoria Coupe and the exclusion of the Convertible Sedan (400-A). Dealer literature that includes the 400-A is extremely rare.

It is not very large, but it has lots of great information on the back. Most of the time when prices for Model "A" Fords are listed, they are F.O.B. Detroit. However, these prices include shipping to McDonough, Georgia. The Ford F.O.B. Detroit price for a Victoria Coupe was \$580, but the cash delivered price to Georgia was \$100.50 more. Seems like a large markup! Also interesting to me is the 12-month financing terms with an imputed interest rate of 21%!

So, what would a Ford Dealer do with the information at left to further convey it to potential customers?

FINER POINTS

continued from page 2

At left is an original pricing tag that would have been tied to the mirror of the car for easy visibility. As you can see, there were different terms available through Ford's Credit Arm, but none as long as the five or more years available today. On a side note, I believe these have been reproduced to some extent. So, you might be able to find one to fill out for your car at a swap meet.

However, the mirror may have been too far away for some dealers' customers because Ford also made the tag at right that would wrap around the headlight bar. Made from the same material used on cowl panels, this one is my personal favorite.

So next time you're at a swap meet, be sure to keep an eye out for dealer literature. It's definitely unique! Perhaps in a future issue, I'll give you a glimpse into the dealer albums I've found.

AMISH LUNCH (RACHEL'S KITCHEN)

by Tim Bodine

On Saturday, March 15th, we will be driving our old cars to Rachel's Kitchen, located south of Chouteau at 12233 S 428 Rd, Chouteau, OK for a home style Amish meal. The meal will include salad, two meat dishes (chicken and ham), lots of side veggie dishes, homemade dinner rolls with apple butter, and pecan and cherry pies for dessert. Everything is served family style at large tables by the Amish ladies. You will not leave hungry.

We will meet at the parking lot of Inola High School and depart for Rachel's Kitchen at 10:30 am. For those living in Tulsa area we will caravan from the Quik Trip on County Line and Kenosha St. leaving at 9:30a.m. From the Owasso area Ralph Hudson will lead the caravan to Inola. Meet Ralph at the Quik Trip at 169 HWY and Route 20 departing at 9:30a.m.

The cost of the meal is \$22.50 per person including tax and gratuity. Amish baked goods and candies will be available for purchase. After the meal, we will drive south on nice secondary roads to OK Hwy 51 and on to Broken Arrow and Tulsa areas. We will make stops at some of the other Amish farms offering candies, pastries, etc. Will also stop at an Amish grocery store which operates on the honor system for payment. This would be an excellent opportunity to invite guests to ride in your old car, eat a good dinner and experience the fun of the Model A hobby!

The deadline for signing up and paying is March 1. We will have sign-up sheet at the February members meeting and breakfast on March 1. We look forward to a fun outing.

BROKEN ARROW COMMUNITY THEATER AND DINNER APRIL 6, 2025

Performance: On Golden Pond

Date/Time: April 6 at 2p.m.

Cost: \$20 per person

Theater Address: 1800 S. Main St., Broken Arrow

Dinner: To Be Determined

Come join the fun of reminiscing about days gone by while we enjoy a performance of "On Golden Pond". Following the performance, we will have dinner at a restaurant near the theater. Since we are going to a matinee, we encourage you to drive your Model A.

The theater has set aside 26 tickets so that we can get good seats. We will have a sign-up sheet at our January, February, and March meetings. Payment is required no later than our member meeting on March 18, which is also the cutoff date for tickets. Looking forward to having you join us for this popular show.

BOARD OF DIRECTORS UPDATE LINDA OCHS

Please join me in welcoming Linda Ochs to the Board of Directors for the balance of 2025, filling the vacancy of Bob Stine's resignation. Linda has graciously accepted the invitation to join the Board effective immediately. We are looking forward to her many contributions. Linda's primary Board responsibilities will be arranging breakfasts and activities following breakfast as well as helping with tours/activities. I know she would appreciate suggestions you may have.

President,
Roy Cail

TULSA CHAPTER
 MODEL A FORD CLUB OF AMERICA
 GENERAL MEMBERSHIP MEETING MINUTES
 January 28, 2025
 Hardesty Regional Library, Tulsa, OK

Meeting called to order by President Roy Cail at 6:40 PM with 43 members present. Roy led the Pledge of Allegiance and Mitchell DuVall led a prayer. The treasurer's report was presented by Jackie Dunn.

The motion to approve the report was made by Jerry Conrad and seconded by Marvin Mellage with no objections.

President Cail announced the resignation of Bob Stine from the Board of Directors and as chairman of the Sunshine Committee. He announced that the Board of Directors are responsible for selecting a member to fulfill Bob's remaining term of this calendar year and solicited a volunteer to take up the Sunshine Committee. Also, Bob Stine had previously relinquished his role as refreshment provider, and no one has stepped forward to accept the responsibility of bringing water and soft drinks to the general meetings. President Cail asked anyone who is interested to meet with him, or the club will discontinue this in favor of everyone just bringing their own.

President Cail recognized guests Monte & Pat Harnar and Tobin & Victoria Blalock. The Blalock's are seeking Model A mechanical help and were quickly referred to The Marvin!

President Cail announced the February club breakfast would be Saturday, February 1st at the Silver Skillet at 61st and Memorial and then the celebration of life for Rus Shuler will be at the Broken Arrow First Baptist Church that same day from 1 to 3 PM.

President Cail announced the March club breakfast will be at the Big Biscuit, 5335 E. 41st.

Tim Bodine announced a drive to and lunch at Rachel's Kitchen, south of Chouteau, on Saturday, March 15th. We are to meet at and leave together from the Inola High School parking lot at 10:30 AM to be there at 11:00. Rachel's is an Amish restaurant served family style. We must have at least 20 attendees to get the room. Lunch is \$22.50 per person, that includes the full meal, tax and tip. There was a signup sheet at this meeting, and it will also be at the check in table at the February meeting.

Tim is also the lead planner for our spring tour to Ponca City, April 24th through 27th. He has reserved a block of rooms at the Ponca City Holiday

Inn for a group discounted rate of \$120 before fees and taxes. Call the Ponca City Holiday Inn at (580) 762-3700 and mention the Tulsa Model A Ford Club to make your reservation and get the discount before April 3rd. See the Rumble Sheet for more details. Our club Program Chairperson, Jackie Dunn, described plans for the February club meeting with an opportunity to have your picture taken with your valentine, special treats for the ladies and speaker, Mike Bender to talk about his New York to San Francisco 100th anniversary Model T tour! The March program will be by Rhys Martin, Manager for the National Trust for Historic Preservation of Route 66, talking about the upcoming centennial celebration in 2026.

The club is planning to attend the performance of "On Golden Pond" at the Broken Arrow Community Playhouse on Sunday afternoon, April 6 (JR's birthday!). The signup sheet was at the check-in table and will be there at the February and March general meetings. The cost is \$20 per person. We hope everyone drives their Model A's that afternoon. Jeanne Washburn, chairperson of the most critical Cookie Committee, announced that the 2025 cookie volunteer schedule is full! Way to go, Jeanne! Sam Slavens won the dang 50/50 AGAIN! Sam has volunteered to be the 50/50 chairperson again this year and who would blame him!

**TULSA MODEL A FORD CLUB
BREAKFAST AND DRIVE
MARCH 1, 2025, 8:30A.M.**

March breakfast will be at a new venue for us. We are going to the Big Biscuit restaurant located at 5335 East 41st St., Tulsa (Cross Streets are Yale and 41st St, across the street from the Promenade Mall). Big Biscuit has a room at this location and one in Owasso that can accommodate our group.

This is another opportunity to drive our Model A's. Tim Bodine will lead our group through Mohawk Park including the zoo area, around Lake Yahola and the Golf Course, Recreation Lake Area, The Tulsa Aerospace Museum, etc. The drive should take about 1 ½ hours. Tim is very familiar with the area as he lived in this area several years ago. My guess is many of you are like us, we know where the zoo and few things are but have never explored the Mohawk area.

**TULSA MODEL A FORD CLUB
COLD BEVERAGES FOR
MEMBER MEETINGS**

As discussed at our January member meeting we do not have anyone volunteering to bring cold beverages to the member meetings. We ask if anyone is interested in taking on this responsibility and to date, we have not received any responses.

As of the February member meeting should you desire to have a cold beverage you will need to provide your own. We understand this is quite a shift, but it is a difficult task bringing enough cold beverages for the membership.

Thank you for your understanding.

JANUARY MINUTES

continued from page 5

- 3rd (\$5): Ralph Hudson

About the Tulsa Model A Ford Club

Chapter #8231 of the Model A Club of America (MAFCA)

This is the official publication of the Tulsa Chapter of Model A Ford Club of America. This monthly newsletter is mailed to members, prospective members, advertisers and editors of similar publications. It's purpose is to keep you informed of what has taken place, scheduled activities and to promote fellowship among club members.

Members are encouraged to submit articles containing technical or any club related information. Articles must reach the editor by the 5th of the month to insure publication in that month's newsletter. Articles received after that will appear in a following newsletter.

Membership dues for the Tulsa Model A Ford Club are \$30 per family annually payable at the end of the year. Contact the New Member chairperson for new memberships and the Treasurer for renewals. The Tulsa Model A Ford Club recommends membership in the national MAFCA organization.
